CONNECTING WISCONSIN

PROJECT BRIEF

U.S. Department of Transportation
Federal Highway Administration

WISCONSIN DEPARTMENT OF TRANSPORTATION

Cormier Road

Schedule:

August 2013 through 2015

Location:

Brown County

About the US 41 Project:

Construction work on the US 41 Project will span over 14 miles in Brown County from 2010-2017, and 17 miles of highway in Winnebago County from 2009-2014.

The project includes:

- traffic lanes expanded from four to six or more lanes depending on the location
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 40 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Cormier Road

Project Construction Timeline August 2013 through 2015

During the 2013 construction season, preparation for major construction on **Cormier Road** at **US 41** will take place. Traffic impacts will be minimal in 2013 as the contractor may prepare for the upcoming work by building access points or moving equipment in. This preliminary work will be done in order to minimize traffic impacts on **Cormier Road** during major construction activities on mainline **US 41** in 2014 and 2015.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

Cormier Road

August 2013

Preparation for major construction planned for fall 2014 through 2015.

1 Intermittent lane closures and restrictions along **Cormier Road** in 2013.

Cormier Road will be CLOSED for 30 days in the summer of 2014 and 2015.

Before and after the 30 day closures, one lane of traffic in each direction as well as pedestrian accommodations will remain open throughout the project.

Cormier Road will not be closed simultaneously with **Morris Avenue.**
