---

### **Meeting purpose**

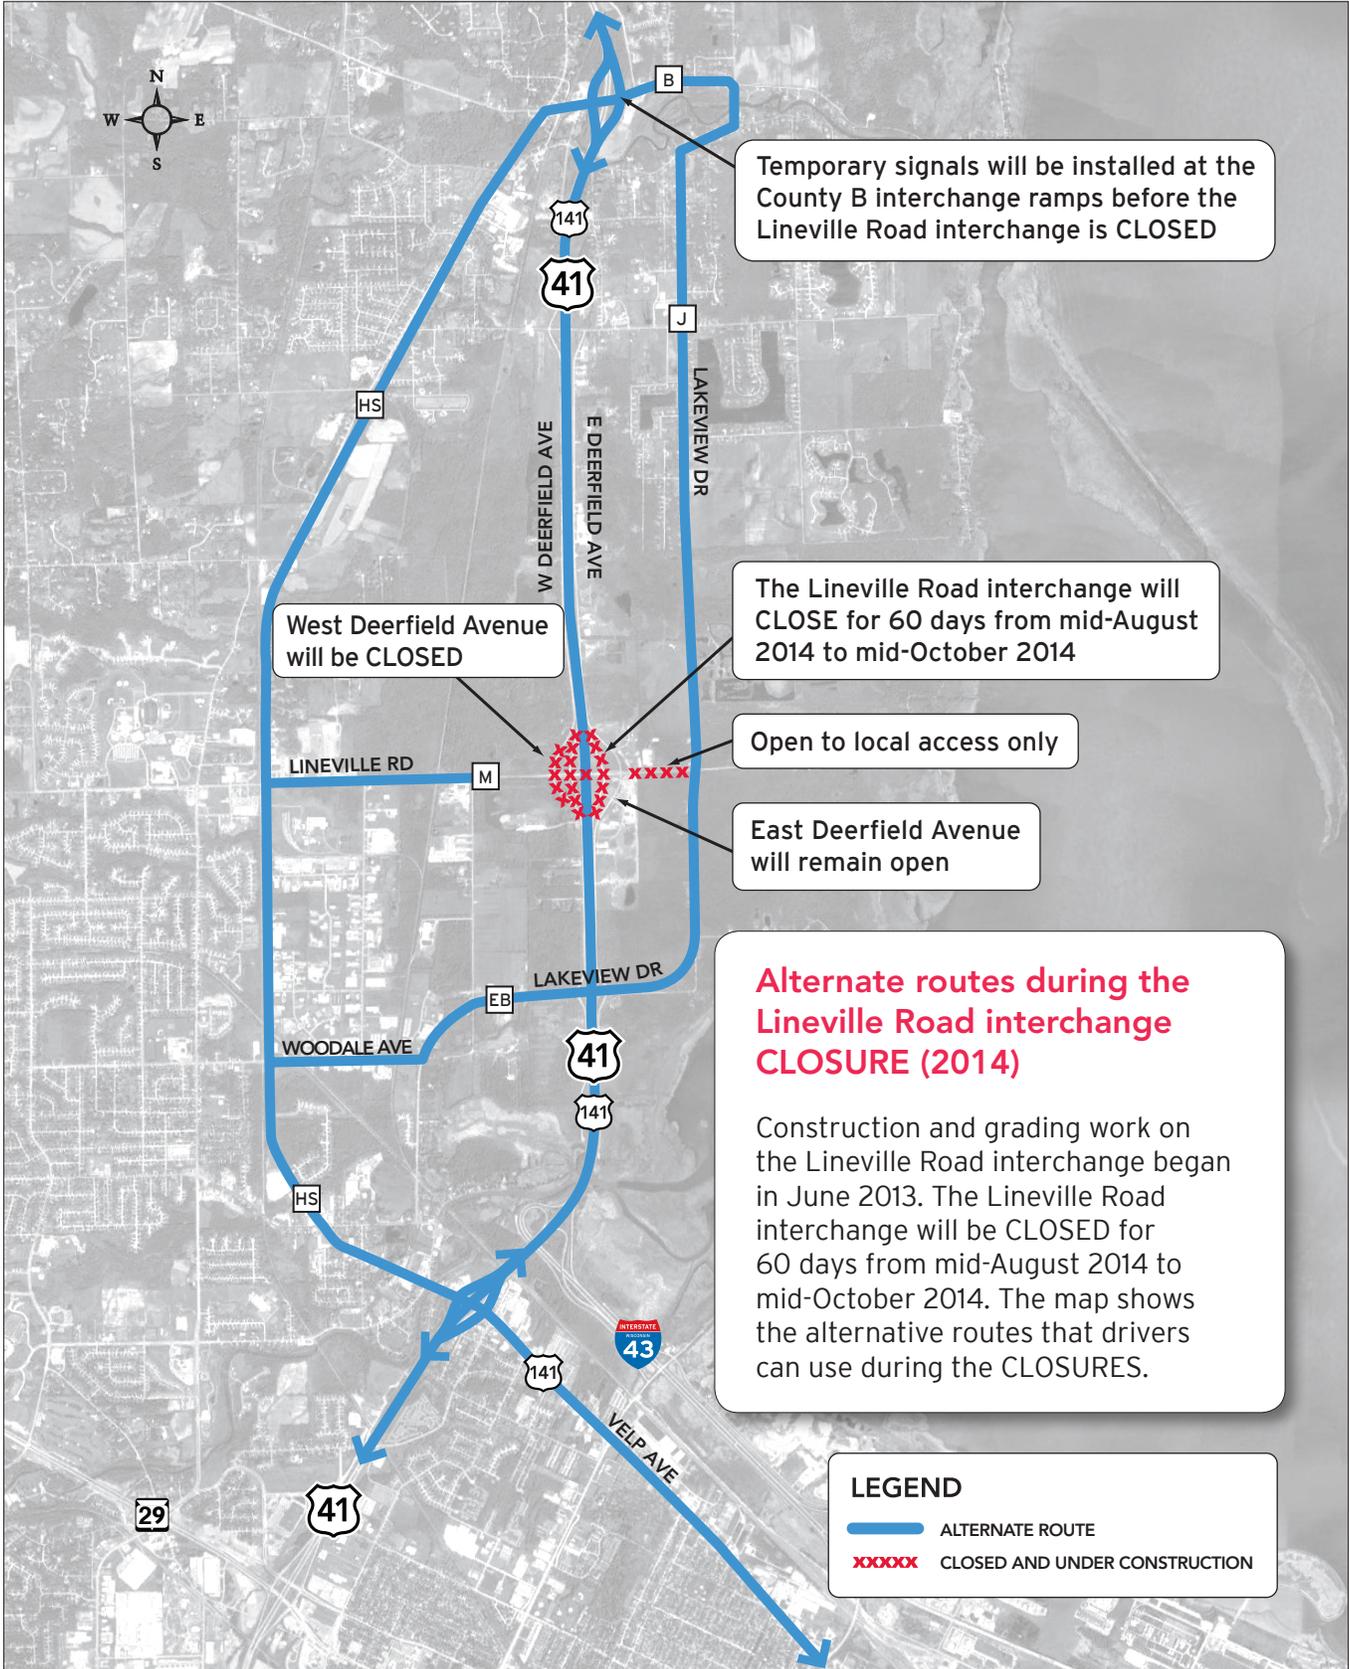

The primary purpose of these meetings is to provide the business community, local officials and general public firsthand information about construction activities and CLOSURES planned for the Lineville Road interchange area. The Lineville Road interchange will CLOSE for 60 days from mid-August 2014 to mid-October 2014. These meetings will provide:

- 2014 construction activities
- Construction schedule
- Road CLOSURES and alternate route options
- Temporary signing opportunities for businesses during construction

The Wisconsin Department of Transportation (WisDOT) will share information about upcoming construction and CLOSURES in the Lineville Road interchange area, along with information about alternate routes and temporary signing opportunities that will connect customers with area businesses during construction.

### **Meeting format**

Today's business group meeting will be from 7:30 to 9 a.m. with a brief presentation at 7:45 a.m. The public meeting will be from 4:30 to 6 p.m. with a brief presentation at 4:45 p.m. Please review the project displays, and feel free to speak with project staff about questions or concerns.

- Constructing an additional travel lane on Lineville Road
- Constructing a free-flow right-turn lane for east-bound traffic at the southbound on-ramp

## US 41 Project outreach

Business owners and operators and the public can learn about upcoming meetings and sign up to receive project updates via the US 41 Project website. Meeting exhibits, handouts, presentations and other resources can also be found on the website: <http://www.us41wisconsin.gov/resources/past-public-meeting-resources/2014-resources>

## Resources for businesses during construction

WisDOT created the "US 41 Project: In This Together" kit to help businesses that may be impacted by the project. The kit contains materials to help keep businesses and customers connected during construction.
