CONNECTING WISCONSIN

PROJECT BRIEF

U.S. Department of Transportation
Federal Highway Administration

WISCONSIN DEPARTMENT OF TRANSPORTATION

WIS 172 Ramps

Schedule:

Fall 2013 through 2016

Location:

Brown County

About the I-41 Project:

Construction work on the I-41 Project will span over 14 miles in Brown County from 2010-2017, and 17 miles of highway in Winnebago County from 2009-2014.

The project includes:

- traffic lanes expanded from four to six or more lanes depending on the location
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 40 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

WIS 172 Ramps

Project Construction Timeline Fall 2013 through 2016

As part of the I-41 Project, WisDOT will improve and reconstruct portions of the **WIS 172** ramps including improvements to shoulders, beam guard, signing, pavement marking and curb and gutter at the interchange. All ramp modifications are needed to properly tie into the expanded mainline **I-41** and the new collector-distributor lanes. The ramps are also being expanded for greater capacity. The improvements to the westbound **WIS 172** ramps are being made to address operational and safety concerns.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

Summer-Fall 2015 or later (weather dependent)

1. Northbound **I-41** to westbound **WIS 172 ramp** will CLOSE for 14 days.

2. Southbound **I-41** to westbound **WIS 172 ramp** will CLOSE for 14 days.

3. Eastbound **WIS 172** to southbound **I-41 ramp** will CLOSE for two days in summer 2015.
   - Eastbound **WIS 172** to southbound **I-41 ramp** will CLOSE again for approximately 30 days.

Summer 2016

4. Eastbound **WIS 172** to northbound **I-41 ramp** will CLOSE for 10 days.
