CONSTRUCTION UPDATE OPEN HOUSE

WIS 29 CORRIDOR, PACKERLAND DRIVE (COUNTY EB) RAMPS AND SHAWANO AVENUE

The Wisconsin Department of Transportation (WisDOT) invites you to attend a construction update open house for the WIS 29 corridor.

This open house will provide information on:

- Upcoming construction activities
- Overall construction schedule
- Road closures and alternate route options

The newly aligned Shawano Avenue (located north of existing WIS 29) and the ramps connecting Packerland Drive with WIS 29 (to and from the west) will open to traffic in early September.

WIS 29 (between Packerland Drive and US 41) will be closed and under construction from early September 2012 through April 2014. Traffic will be routed to the newly aligned Shawano Avenue and Packerland Drive ramps.

CONTACTS

In addition to the open house, project staff are available to hold small group workshops with interested businesses to discuss specific issues. These meetings can be located at your business or at WisDOT offices and can be geared toward your specific questions.

FUTURE OPPORTUNITIES FOR CONSTRUCTION UPDATE MEETINGS

WisDOT will continue to hold construction update meetings throughout the project's duration to keep businesses and the public informed. Future meetings will be held at key milestones, including annual construction update meetings (every spring until construction is complete).
