

Construction starts in 2013

WHEN and WHERE

**WEDNESDAY,
OCTOBER 17, 2012**

US 41 Brown County
Project Office
1940 W. Mason St.
Green Bay

Business Meeting

7:30 - 9 a.m.
Open house format
Presentation at 7:45 a.m.

– OR –

General Public Information Meeting

5:30 - 7 p.m.
Open house format
Presentation at 5:45 p.m.

BUSINESS & PUBLIC INFORMATION MEETINGS LINEVILLE ROAD INTERCHANGE

The Wisconsin Department of Transportation (WisDOT) invites you to attend an open-house meeting for the Lineville Road interchange. Both a business meeting and general public information meeting will be conducted. You are welcome to attend either meeting. These meetings will provide an update on the latest design plans and the transportation management plan concepts that are being developed for the area including:

- Overview of construction activities and tentative schedules
- Construction staging scenarios developed for the area
- Alternate route options to keep traffic moving and minimize construction impacts

Transportation management plans are important because they determine how construction is staged and what strategies are needed to keep traffic moving through construction zones. This is an opportunity for you to provide input as WisDOT develops transportation management plans for this area.

Information on the I-43 and Velp Avenue interchange areas and the I-43/Leo Frigo Memorial Bridge Project will also be available at the meetings.

CONTACTS

In addition to the business and public information meetings, project staff are available to hold small group workshops with interested businesses to discuss specific issues. These meetings can be located at your business or at WisDOT offices and can be geared toward your specific questions.

For more information about the project, or to schedule a workshop, please contact:
