

US 41 Project

US 45 - Breezewood Lane Mainline and US 45 and Breezewood Lane Interchanges

Business Open House and Public Information Meeting

The Wisconsin Department of Transportation (WisDOT) is hosting an afternoon business open house and evening public information meeting concerning the reconstruction of the US 45 and Breezewood Lane interchanges and US 41 mainline between US 45 and Breezewood Lane. Starting in spring the Breezewood Lane interchange and the US 45 interchange will close to all traffic for reconstruction through November. Reconstruction of the Breezewood Lane interchange will begin in March and the US 45 interchange will begin in April. Additionally, the southbound lanes of US 41 will close and all traffic will be routed to the expanded northbound lanes. Two lanes of traffic in each direction will be maintained with concrete barrier separating the northbound and southbound lanes. These projects will impact travel through the Neenah and Oshkosh areas and WisDOT encourages you to attend to learn more about the upcoming construction activities and schedule.

The open house is part of WisDOT's ongoing business outreach to keep you informed about construction milestones and activities for the US 41 Project. Watch for future announcements on the project Web site as construction continues this year. If you cannot attend the open house, you can attend the public information meeting later in the evening. Details are provided below.

upcoming meetings

Please attend one of the following events for more information and to ask questions:

February 16

Winnebago County Highway Department
901 West County Y
Oshkosh

BUSINESS-ONLY OPEN HOUSE

Noon to 2 p.m.

- presentation at 12:15 p.m.

OR

PUBLIC INFORMATION MEETING

5 p.m. to 7 p.m.

- presentation at 5:15 p.m.

Schedule a workshop with WisDOT

In addition to the business open house, project staff will be available to hold small group workshops with interested businesses to discuss specific issues. These meetings can take place at your business or at the WisDOT field office. Please contact WisDOT staff listed below for an appointment.
