The Lake Butte des Morts Causeway originally opened in 1955.

Improvements will include:

- A new, eight-lane Lake Butte des Morts crossing, created by widening the existing causeway to the west
- Three through lanes and an auxiliary lane in each direction to improve traffic flow between WIS 21 interchange and US 45 interchange
- Freeway lighting to span the entire causeway
- A bicycle/pedestrian recreational trail across the causeway east of the northbound lane
- Fishing access on Lake Butte des Morts
