WisDOT US 41 Project Quotes

“The US 41 Project is an important investment that will serve the people of Wisconsin and our many visitors for generations to come.”

Frank Busalacchi, Wisconsin Department of Transportation Secretary

“The US 41 Project will do more than just make traveling through the Fox Valley easier. It will bring job opportunities to the area that will stimulate the economy of Northeast Wisconsin.”

Ruben Anthony Jr., Wisconsin Department of Transportation Deputy Secretary

“US 41 is the ‘Main Street’ of Northeast Wisconsin, and these upgrades are long overdue. The finished product will result in easy and safe traffic flow.”

Mike Berg, Wisconsin Department of Transportation Northeast Regional Director

“From a capacity standpoint, the current design has outlived its usefulness. The time has come to create a corridor that’s safer and easier to navigate.”

Brett Wallace, P.E., Highway 41 Corridor Project Group Manager

“Better roads will bring more travelers to the area and increase the importance of US 41 to the tourism industry. The project will not only be good for the hotel business, but all businesses in general.”

Tana Sorensen, Hilton Garden Inn General Manager

“EAA has been part of the Fox Valley for nearly 40 years. US 41 is our front door for those who arrive via ground transportation. The US 41 Project and associated roads are essential for the region’s prosperity.”

Dick Knapinski, EAA Media and Public Relations Director

“The US 41 Project will undoubtedly bring more business to the Fox Valley. Once the final traffic cone is removed and construction is over, the improvements will be worth it to my customers, my business, and the area as a whole.”

Mark Skogen, Festival Foods President and CEO

“The US 41 improvements couldn’t come at a better time. The construction taking place now will ensure a brighter future for businesses, residents and visitors to the Green Bay area.”

Paul Jadin, Green Bay Chamber of Commerce President

“The US 41 Project will impact the city of Green Bay in so many positive ways. The construction will create jobs and once the improvements are finished, all residents and visitors will understand the necessity of the highway to the economic well-being of our area.”

Jim Schmitt, Mayor of Green Bay
