US 45 interchange

The US 41/45 interchange in Winnebago County is a freeway-to-freeway system interchange that also provides local service. Work will include:

- Reconstructing the interchange to provide free-flow movements from northbound US 41 to northbound US 45 and southbound US 45 to southbound US 41.
- Constructing US 45 to pass over US 41 (US 41 currently passes over US 45).
- Lengthening on-ramps for future ramp metering.
- Shifting US 41 west to avoid electric substation.
- Constructing a new bridge over US 41 to connect Lake Butte des Morts Drive on the west to Algoma Boulevard on the east. The Wiouwash Trail will use this bridge to go over US 41.
- Constructing a new bridge over US 41 to connect West Snell Road east of US 41 to Fountain Avenue west of US 41.
- Reconstruction of Fernau Avenue, Snell Road, and Stillman Drive as they connect into Algoma Blvd.
