Cold Spring Road under US 10 to close in Winnebago County

60-day closure scheduled to begin April 13

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing a 60-day full closure of Cold Spring Road under US 10 (between Friendship Trail and American Drive), is scheduled to begin on Monday, April 13. The closure is needed so crews can widen the existing westbound US 10 bridge over Cold Spring Road.

Residents and businesses near the bridge over Cold Spring Road can expect daytime noise throughout the project. The most significant noise will be during the first two weeks of construction.

All lane restrictions and work operations are weather dependent and subject to change.
