(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region is announcing US 41 Project lane restrictions for July 23 - 27 in Brown and Winnebago counties. In Brown County, significant travel delays expected on I-43 at the Leo Frigo Bridge, as traffic is reduced to a single lane in both directions over a 3.5-mile segment of the highway through November 2012. Eastbound WIS 29 will be closed overnight July 23, between County FF and Packerland Drive. In Winnebago County, drivers should anticipate delays and heavy traffic through Oshkosh with the start of EAA AirVenture. Motorists need to be aware of 11-foot wide lanes and reduced speed limits in both counties. WisDOT urges all motorists to use caution while traveling through any work zone.
