US 41 Project lane closures for September 8 – September 12

Traffic restrictions in Brown County

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for September 8 – September 12 in Brown County. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Glory Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

60-day Packerland/Cardinal Lane Closure

Packerland Drive, including the WIS 29 exit-ramps to Packerland Drive, closed on Tuesday, September 2 for up to 60 days to reconstruct the Packerland Drive/Cardinal Lane interchange. Packerland Drive/Cardinal Lane is CLOSED between Holly Way and Duck Creek Parkway (formerly Dousman Street). The new intersection will feature roundabouts at both ramp terminals and a roundabout at County RK and Packerland.

Elmhurst Avenue/Cardinal Lane intersection also closed on Tuesday, September 2 for construction of a roundabout. WisDOT will maintain a one-lane connection between Cardinal Lane and Duck Creek Parkway during the construction of the roundabout. Access to residents and businesses will

also be maintained from Duck Creek Parkway throughout the closure. For a map of alternate routes identified to assist businesses and the public during the reconstruction of the Packerland Drive/Cardinal Lane interchange go to: www.us41wisconsin.gov/packerland-avenue-closure

60-day Lineville Road closure

Lineville Road (County M) interchange, including the Lineville Road bridge, closed on August 18 for up to 60 days to reconstruct the Lineville Road interchange.

The closure includes:

- US 41/Lineville Road interchange ramps
- Lineville Road between West Deerfield Avenue and Lakeview Drive (County Road J)
- Lineville Road intersection with West Deerfield Avenue
- Lineville Road intersection with East Deerfield Avenue (note: Only East Deerfield Avenue will be able to cross Lineville Road. East Deerfield will remain open for access to local businesses)

Alternate routes:

- Use Lakeview Drive or County B as an alternate route across US 41
- Use County B and Velp Ave interchanges for access to and from US 41
- A detailed map of alternate routes for local access can be found at www.us41wisconsin.gov/lineville-avenue-closure

Oneida Street

The following ramp will be closed:

- Southbound US 41 on-ramp from Oneida Street will be closed overnight on **Wednesday** from 7 p.m. to 6 a.m.

WIS 172

The following ramps will be closed:

- Westbound WIS 172 to northbound US 41 ramp will be closed **NIGHTLY** on **Monday through Friday** from 7 p.m. to 7 a.m.
 - WIS 172 traffic seeking northbound US 41 will be detoured off at Pilgrim Way, take Pilgrim Way east to Ashland Avenue, follow Ashland Avenue north to Lombardi Avenue, and take Lombardi Avenue west to northbound US 41

Velp Avenue

The following ramp will be closed:

- Northbound US 41 on-ramp from Velp Avenue will be closed on **Tuesday** from 6 p.m. to 6 a.m.

- Velp Avenue traffic seeking northbound US 41 will be detoured on Velp Avenue east to Atkinson Drive, follow Atkinson Drive north to northbound I-43 and take northbound I-43 to northbound US 41

Drivers can also anticipate overnight single lane closures on eastbound and westbound Velp Avenue between Riverview and Melody Road on **Thursday** and **Friday** from 7 p.m. to 5 a.m.

All lane restrictions and work operations are weather dependent and subject to change.
