Construction Update

Packerland Drive/Cardinal Lane Interchange CLOSURE

Business Meeting

Tuesday, August 12, 2014

US 41 Brown County Project Office, 1940 W. Mason St., Green Bay

7:30 to 9 a.m.

Brief presentation at 7:45 a.m.

Meeting purpose

The purpose of this meeting is to provide businesses with up-to-date information about:

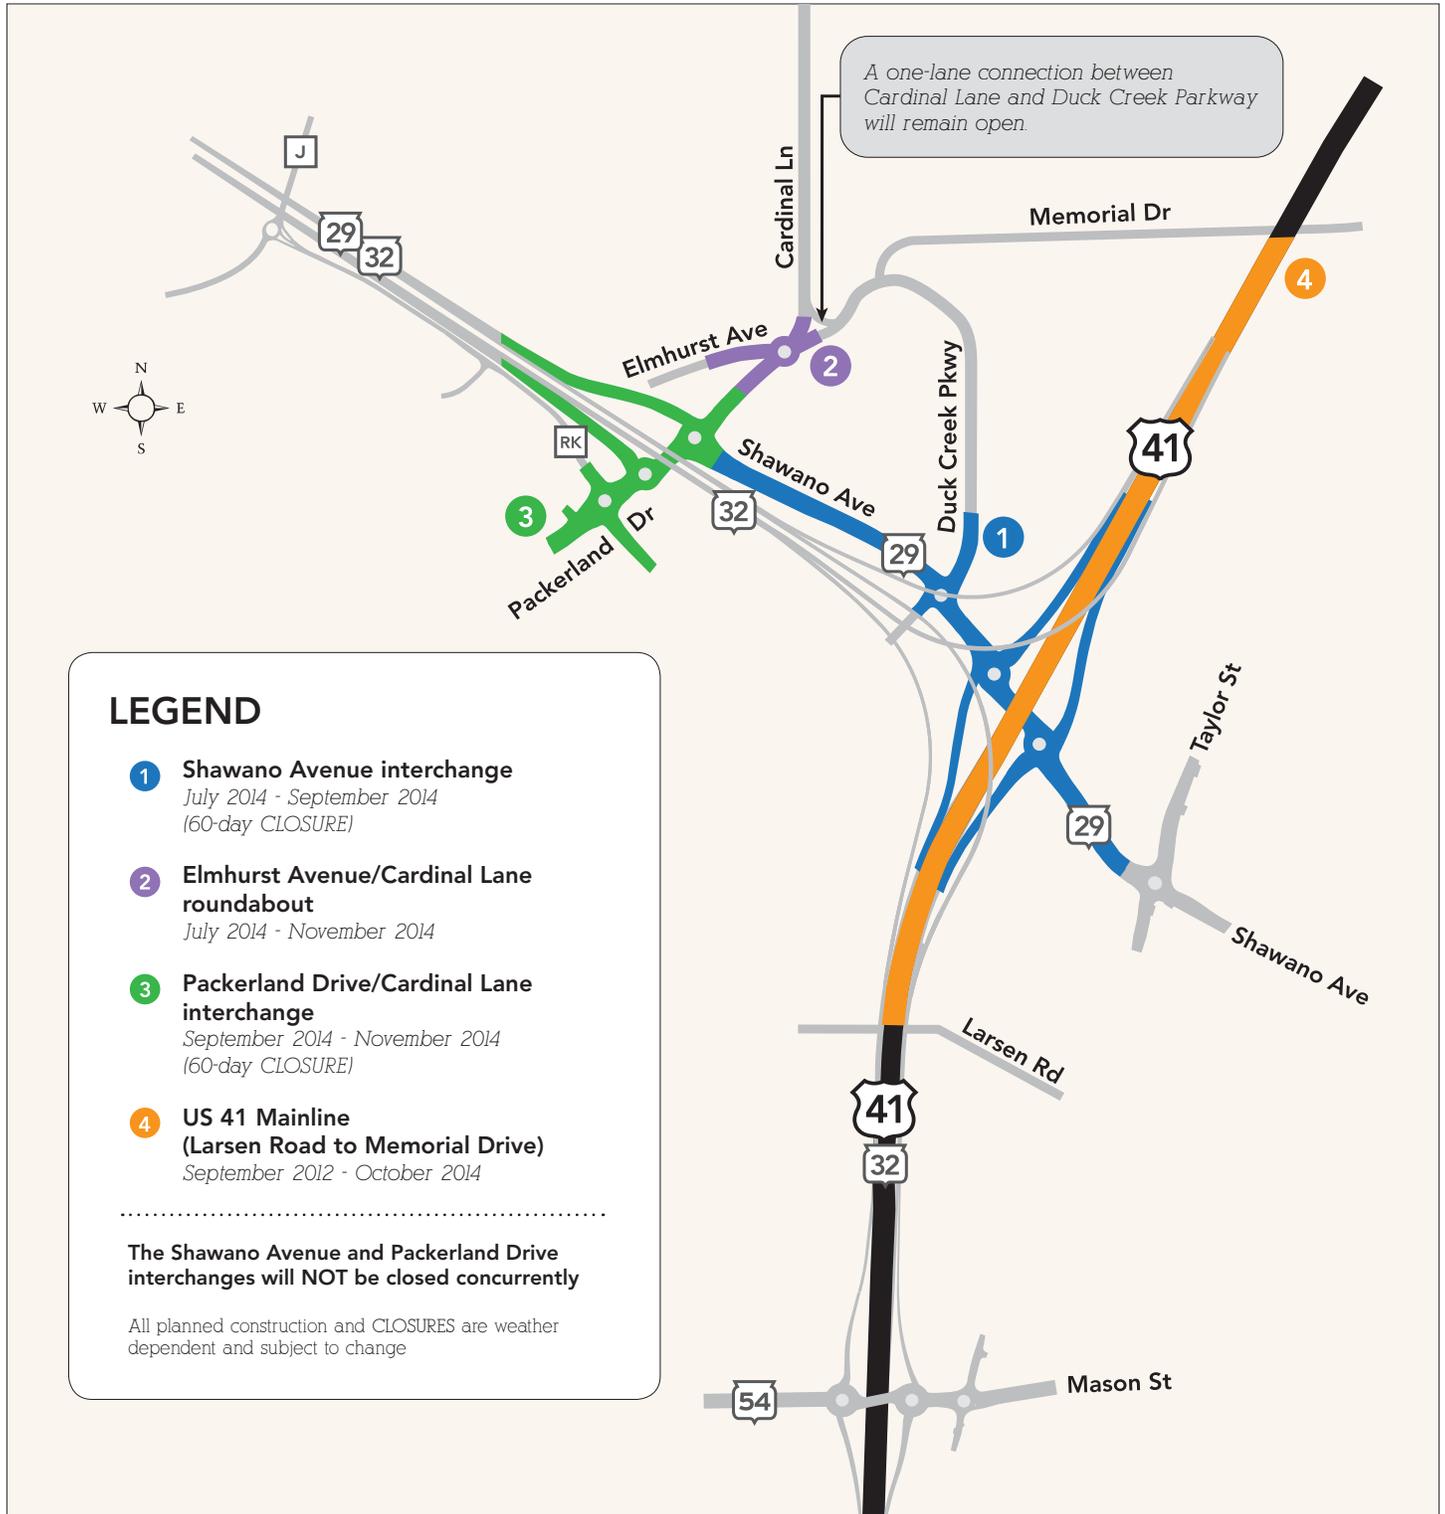

- 2014 construction activities and the construction schedule
- Alternate routes during construction and CLOSURES
- Temporary signing opportunities for businesses during construction

Meeting format

Today's meeting will be from 7:30 to 9 a.m. with a brief presentation at 7:45 a.m. Please review the project displays and feel free to speak with project staff with any questions or concerns.

Construction timeline

Following the completion and opening of the Shawano Avenue interchange, the Packerland Drive interchange will CLOSE. **The Shawano Avenue and Packerland Drive interchanges will NOT be closed concurrently.**

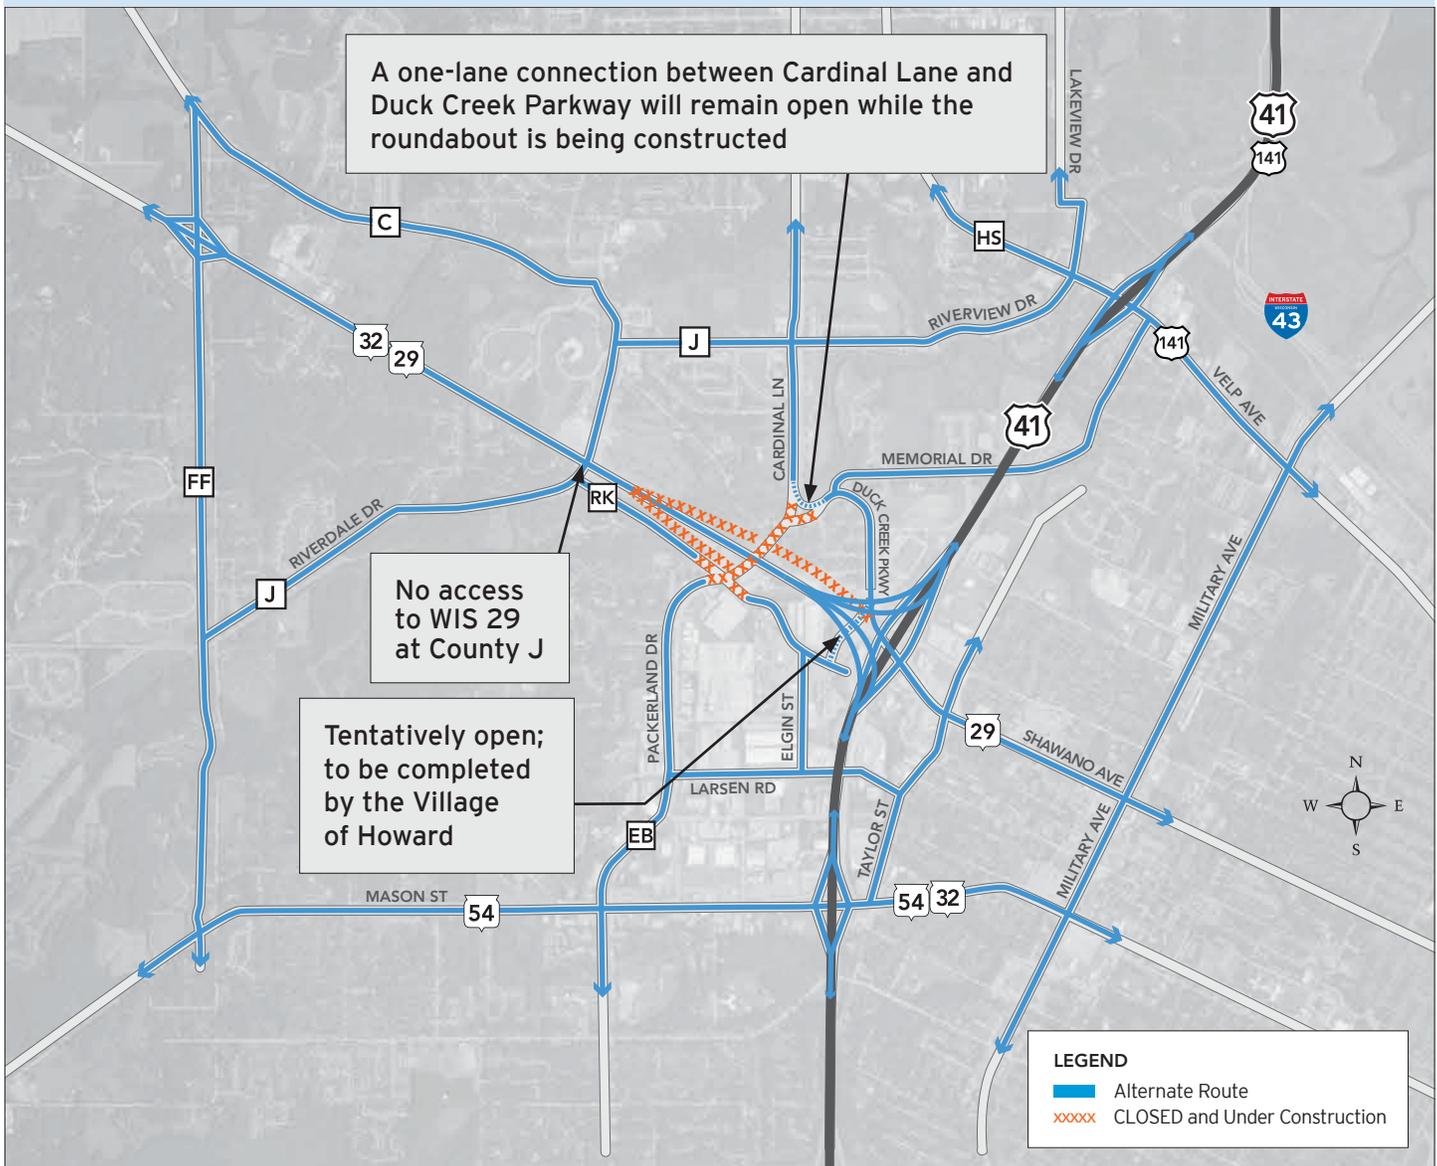

Alternate routes during construction

Reconstruction of the Packerland Drive/Cardinal Lane interchange is scheduled to begin in September 2014. Packerland Drive/Cardinal Lane will be CLOSED between County RK and Duck Creek Parkway (formerly Dousman Street). WisDOT will maintain a one-lane connection between Cardinal Lane and Duck Creek Parkway during the construction of the roundabout. The map below depicts alternate routes identified to assist businesses and the public during the reconstruction of the Packerland Drive/Cardinal Lane interchange; materials are also available at:

2014 ALTERNATE ROUTES

September 2014 to November 2014: The Packerland Drive/Cardinal Lane Interchange will be CLOSED for 60 days

Future opportunities for construction update meetings

WisDOT will continue to hold construction update meetings throughout the project's duration to keep businesses and the public informed. Future meetings will be held at key milestones.

US 41 Project outreach

The US 41 Project website is a resource for businesses and the public to learn about upcoming meetings and to sign up to receive project updates. Meeting exhibits, handouts, presentations and other resources can also be found on the Project website at:
