**June 18, 2013
Winnebago County Highway Department**

**US 41
US 45 to Breezewood Lane
(County G, GG, and Y Overpasses)
Winnebago County
Project I.D. 1120-09-76, 77, 78, 81**

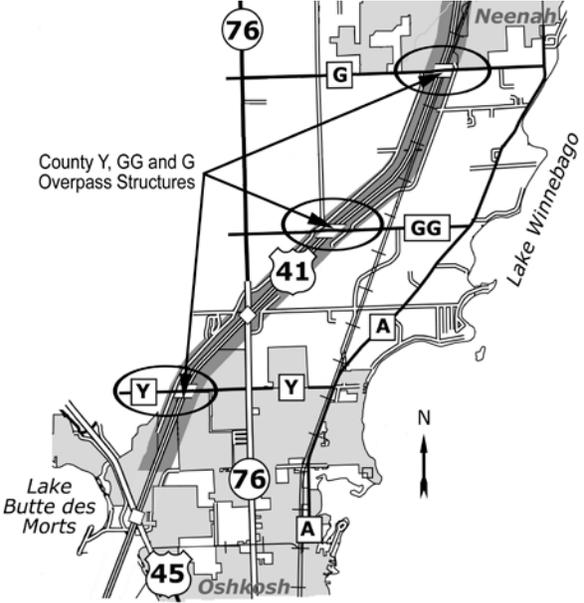

U.S. Department of Transportation
**Federal Highway
Administration**

Meeting purpose

The Wisconsin Department of Transportation (WisDOT) Northeast Region is preparing for construction of the US 41 overpass bridges at County G, GG, and Y as part of the overall US 41 improvements from Breezewood Lane to US 45. The purpose of today's meeting is to present the overpass plans and upcoming construction activities and schedule, answer questions and listen to your comments.

Project Information

 <p>County Y, GG and G Overpass Structures</p> <p>Location map</p>	<p>The existing bridge deck on the County G overpass will be replaced and the bridge girders will be painted.</p> <p>The County GG and County Y overpass bridges will be entirely replaced.</p> <p>Design features for the new County GG and County Y overpasses are summarized below.</p> <p>Both of the County GG and County Y overpasses will have:</p> <ul style="list-style-type: none">• Two 12-foot driving lanes, 8-foot shoulders, and a 10-foot path for pedestrian, bicycle, and snowmobile access across US 41• The paths will be separated from the roadway by a concrete barrier
--	---

County G overpass

Schedule: The bridge deck will be replaced from July to October 2013

Traffic impacts: Overpass will be closed and US 41 lane closures will be required

Work includes:

- Replace the existing bridge deck (B-70-67) with new deck
- Blast clean the existing steel girders and repaint girders
- Mill and resurface County G from Green Valley Road to Dixie Road
- Replace beam guard
- Color scheme to match Breezewood Lane structure

County GG overpass

Schedule: Utilities will begin relocations in summer 2013. The overpass will be reconstructed from March to mid-August 2014

Traffic impacts: Overpass will be closed and US 41 lane closures will be required

Work includes:

- Reconstruct approximately 1,400 feet of County GG east of US 41 and 1,600 feet west of US 41
- Reconstruct approximately 1,300 feet of Green Valley Road through the County GG and Woodenshoe Road intersections; also reconstruct these intersections
- Reconstruct approximately 1,100 feet of Old Dixie Road through the County GG intersection; reconstruct intersection
- Construct a shared use path on the north side of the overpass bridge
- Construct shared use path segments between US 41 and Green Valley Road (along the north side of County GG), and on a diagonal alignment between US 41 and Old Dixie Road
- Color scheme to match Breezewood Lane structure

County Y overpass

Schedule: Utilities will begin relocations in summer 2013. The overpass will be reconstructed from March to mid-August 2014

Traffic impacts: Overpass will be closed and US 41 lane closures will be required

Work includes:

- Reconstruct approximately 900 feet of County Y east of US 41 and 1,200 feet west of US 41
- Reconstruct approximately 650 feet of Green Valley Road north of County Y and 425 feet south of County Y
- Reconstruct the County Y and Green Valley Road intersection
- Construct a shared use path on the south side of the overpass bridge
- Construct shared use path segments on both sides of US 41 that will be extended and completed in the future by Winnebago County. The path will run along the south side of County Y east of US 41, and on a diagonal alignment between US 41 and Green Valley Road west of US 41
- Color scheme to match US 45 structure

Public comments

We encourage you to talk to the project representatives and ask questions. A comment form is attached to this handout for providing written comments. You may drop it in the comment box at today's meeting or mail it on or before July 1, 2013.

If you have questions about the US 41 project or would like more information, contact the persons listed below or visit the US 41 project website. There will be additional opportunities to keep you informed about the US 41 project in Winnebago County including meetings and news releases.
