CONSTRUCTION

Starting in September, WisDOT will begin construction on the I-43 Interchange. WisDOT staff will be available to answer questions at the meetings.

The purpose of these meetings is to provide businesses and residents with up-to-date information on:

- 2013 and 2014 construction activities
- Ramp closures and alternate route options
- Temporary signing opportunities for businesses during construction

Later this fall, WisDOT will hold additional meetings to share information about year 2015-17 construction staging and traffic impacts at the Velp Avenue and I-43 interchanges.
