## **Lane closures on US 41 in Winnebago County**

*Winnebago County traffic impacts for the week of July 12*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region Office in Green Bay is announcing lane restrictions for the week of July 12 on US 41 in the Oshkosh area.

Beginning Monday, July 12 and continuing through Friday, July 16, there will be various lane closures on US 41 northbound between Snell Road and Breezewood Lane daily from 7 p.m. to 5 a.m., and Friday from 10 p.m. to 7 a.m. The project involves widening the existing northbound lanes. Motorists should also note that the speed limit in this area is reduced to 55 miles per hour. Associated with these lane closures are lane restrictions of 12 feet where US 41 crosses WIS 76 and where it crosses the rail line just south of the Breezewood Interchange. These restrictions will continue during the project.

On Tuesday, July 13 and Wednesday, July 14, there will also be various lane closures on US 41 southbound between the Breezewood interchange south to where US 41 crosses the railroad spur line just north of County Road G from 7 p.m. to 5 a.m.

All closures are weather dependant and subject to change. Motorists should use caution and remain alert when driving in this or any work zone.
