WIS 441 Tri-County Project road closures joins I-41 Project on social media

Twitter, Facebook feature the new Interstate status for I-41, and WIS 441 construction closures in Winnebago, Outagamie, and Brown counties

(Appleton) Drivers in the Fox Valley now have a new way to get traffic alerts, closures and news on the Tri-County Expansion Project and I-41 Project in Winnebago, Outagamie and Brown counties. The new social media account blends the former US 41 Project Facebook and Twitter site, now I-41, with the Tri-County Expansion Project to create a brand-new Facebook page and Twitter site. Users will get all their road closures and news for both projects at one new Facebook and Twitter account!

The new social media accounts for traffic impacts on WIS 441 Tri-County Expansion Project and I-41 Brown County Project can be found at:

- Twitter: Follow us on Twitter @WIS441I41News or <https://twitter.com/WIS441I41News>
- Facebook Page: WIS 441 & I-41 News <https://www.facebook.com/WIS441I41News>

You will get traffic alerts, construction closures and project news for:

- I-41 Project in Brown County
- I-41 Tri-County Expansion in Outagamie and Winnebago County
- US 10/WIS 441 system-to-system interchange in Winnebago County
- Roland Kampo Bridge construction
- WIS 441/US 10 expansion in Winnebago County
- Interchange construction, ramp closures at Racine Street, Midway Drive, Appleton Road, Oneida Street in Winnebago County
- Local road closures due to Tri-County Project and I-41 Project in Brown, Winnebago and Outagamie Counties.

“The US 41 Project social media accounts have been a very popular way for motorists to get needed, daily updates on road closures and traffic impacts,” said WisDOT NE Region Director Will Dorsey. “With the Tri-County Project really ramping up construction, and the US 41 interstate conversions to I-41, we felt it was in the best interest to the public to combine the projects in one easy to follow Twitter and Facebook site”

Users who follow the old US 41 twitter site or Facebook site and have it bookmarked may need to do a hard refresh of the bookmarked website to update the social media accounts.

The Wisconsin Department of Transportation reminds motorists to never text or use social media while driving.

Log on to www.us41wisconsin.gov/wis441 for details of the Tri-County projects. For statewide projects and traffic alerts, go to www.wisconsin.gov, visit [Wisconsin 511 online](http://www.wisconsin.gov/511) or call 5-1-1. For more information regarding traffic impacts in all of the Northeast Region:

- Follow Northeast Region on [Twitter](#) for regional alerts from the Traffic Incident Alert System and for construction related traffic advisories.
