In 2010 crews widened the southbound lanes with asphalt. All traffic will be switched onto the widened northbound roadway in March 2011, at which time the contractor will begin rebuilding the northbound roadway. In July 2011, crews will move all traffic onto the new northbound roadway while the

southbound roadway is built. The project is scheduled to be completed by November 2011.

### Traffic impacts:

- Periodic nighttime lane closures from 7 p.m. to 5 a.m.
