

WIS 54 (Mason Street) Interchange

Schedule:

January through August, 2012

Location:

WIS 54 (Mason Street)
Brown County

About the US 41 Project:

Construction work on the US 41 Project will span over 14 miles in Brown County from 2010-2017, and 17 miles of highway in Winnebago County from 2009-2014.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at www.US41wisconsin.gov
- Call the project hotline at: (920) 492-4120

At the **WIS 54 (Mason Street)** interchange in Brown County WisDOT will:

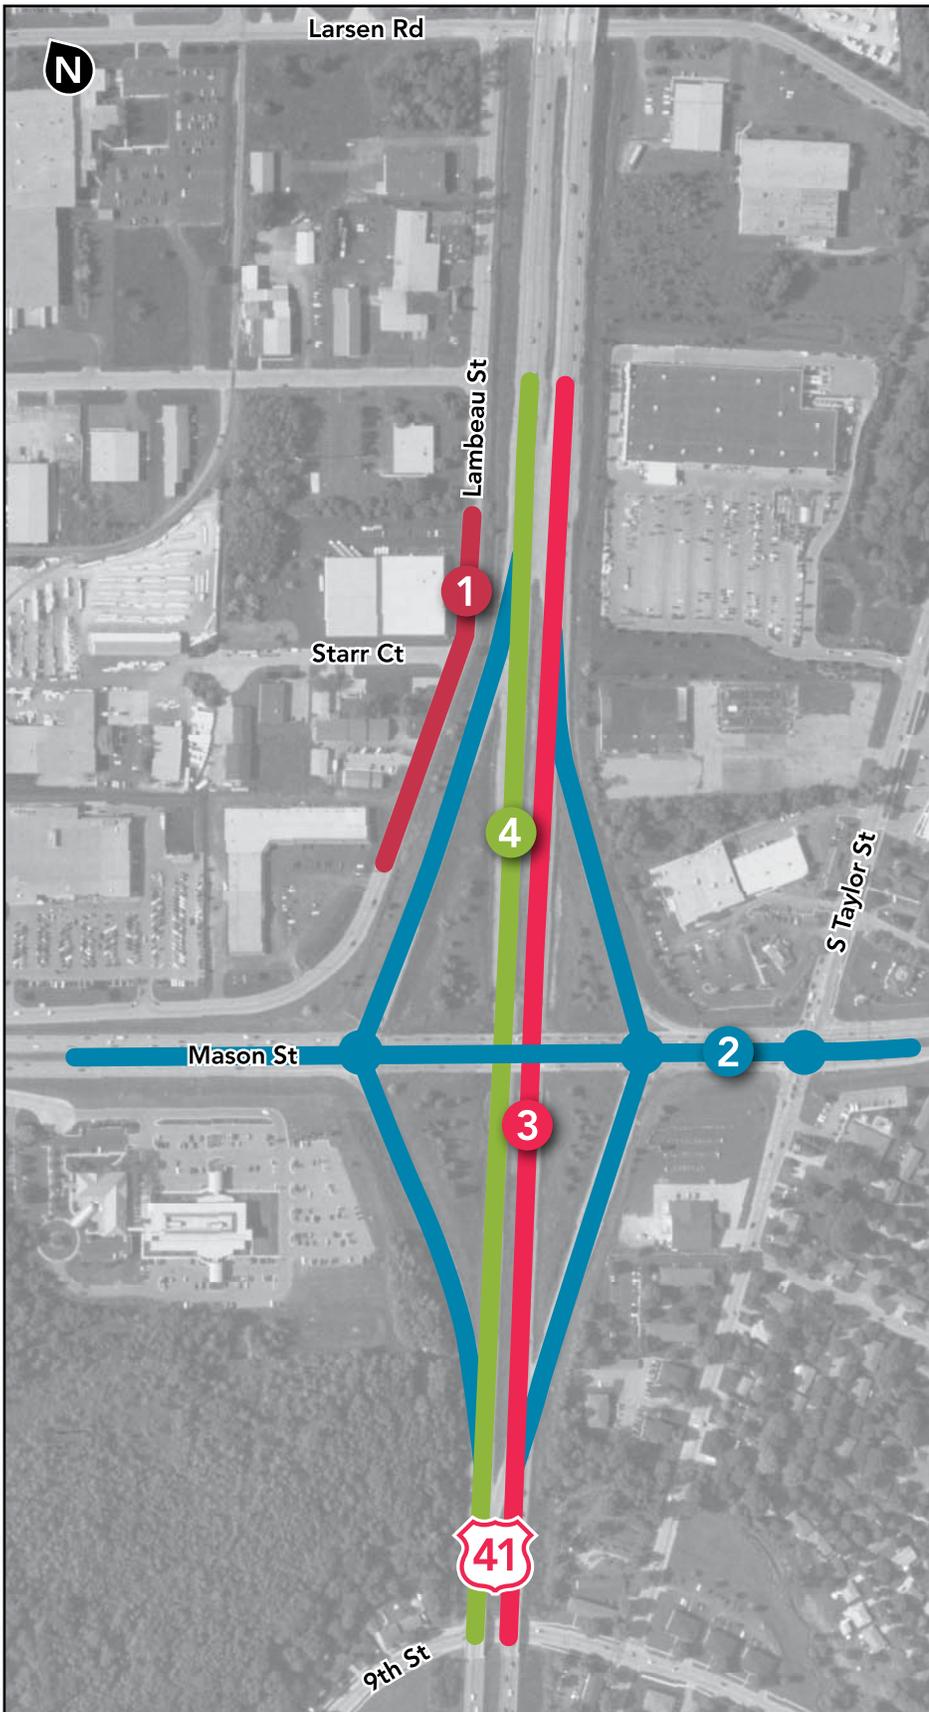

- Reconstruct the **Mason Street** bridge over **US 41** to include bicycle and pedestrian accommodations.
- Install roundabouts at the ramp terminals and at the intersection of **Taylor Street**.

Preliminary work to begin in 2011 includes reconstruction of **Lambeau Street** to accommodate expansion of **US 41**. **Lambeau Street** will close

to northbound traffic in June 2011. In 2011, the project also includes widening southbound **US 41** between **9th Street** and **Larsen Road** and local roadway improvements for pending mainline **US 41** improvements/widening (January 1012). Reconstruction of mainline **US 41** between **9th Street** and **Larsen Road** will take place in 2012, including the **9th Street** bridges.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

US 41/ Mason Street Interchange

June – July 2011

- 1 Close **Lambeau Street** to northbound traffic during reconstruction.

January – August 2012

- 2 Close **Mason Street** interchange, including bridge and ramps and the **Mason/Taylor Street** intersection.

January – Mid May
2012

- 3 Reconstruct northbound **US 41** mainline and northbound **9th Street** bridge.
Use **Shawano Avenue** and **Lombardi** interchanges to access **US 41**. Use **Larsen Road** and **9th Street** to cross **US 41**.

Mid May – August
2012

- 4 Shift **US 41** mainline traffic onto newly constructed northbound lanes, close and reconstruct southbound **US 41** mainline and southbound **9th Street** bridge.
