Lineville Road (County M) Interchange

Project Construction Timeline June 2013 through May 2015

The interchange at **Lineville Road** (**County M**) in Brown County will be reconstructed to improve safety, increase capacity and improve traffic operations. The bridge will also be raised to provide greater vertical clearance over **US 41**. The entrance ramps will be rebuilt, and the exit ramps will be reconstructed as two-lane ramps. In addition, **US 41** will be expanded to six lanes, plus auxiliary lanes, from approximately **Lineville Road** to the south.

The **Lineville Road** work will include:

- Constructing roundabouts at the northbound and southbound ramp terminals, and at the intersections of **Lineville Road** with **East Deerfield Avenue** and **West Deerfield Avenue**.
- Expanding **Lineville Road** to four lanes through interchange area.
- Constructing a free-flow right-turn lane for eastbound traffic at the **US 41** southbound entrance ramp terminal.
