– OR –

### **General Public Information Meeting**

5:30 - 7:30 p.m.  
Open house format  
with presentations at  
5:45 p.m. and 6:30 p.m.

## PRECONSTRUCTION INFORMATION MEETINGS

### WIS 29 AND MASON STREET INTERCHANGES, COUNTY J AND TAYLOR STREET

The Wisconsin Department of Transportation (WisDOT) invites you to attend either a business meeting or a preconstruction public information meeting for the WIS 29 and Mason Street interchanges.

This meeting will update you on:

- 2011 construction activities (details on back)
- Overall construction schedule
- Road closures and alternative access options

Beginning later this spring, construction will start on the Shawano Avenue and Taylor Street intersection, County RK (new frontage road between County J and County EB) and County J, and Lambeau Street. Mason Street interchange construction will begin early 2012.

WisDOT will present information about the upcoming construction, the impacts to residents, businesses and customers, and present information about business signing that will help customers find businesses during construction.

## CONTACTS

This is the final preconstruction business meeting and public information meeting for the WIS 29 and Mason Street interchanges. If you would like to receive US 41 Project construction updates or notices of future meetings related to the WIS 29 and Mason Street interchanges via e-mail, please submit your e-mail address to Cynthia De Vor at [cynthia.devor@dot.wi.gov](mailto:cynthia.devor@dot.wi.gov).

For more information about the project, or to schedule a workshop, please contact:

WIS 29 and Mason Street Interchanges, County J and Taylor Street

# CONSTRUCTION STARTS THIS SPRING IN THE WIS 29 AREA AND MASON STREET INTERCHANGE AREAS

## Fill / Large Structures:

Substantial construction will also begin on new bridge structures as well as embankment placement beginning in July 2011. The work will be widespread throughout the interchange areas, adjacent to US 41 and WIS 29 and in general won't require closures. See shaded area.

## June 2011 - October 2011

Reconstruct County J north and south of WIS 29, remove access at WIS 29 and construct County J/County RK roundabout. County J access at WIS 29 will be permanently removed June 2011.

*County J will be closed again north of Village Green Golf Course for six weeks in the spring of 2012, finishing in May 2012.*

## June 2011 - October 2011

Construct future County RK between Packerland Drive and County J.

## June 2011 - August 2011

Reconstruct Lambeau Street, which will remain open.

## July 2011 - November 2011

Reconstruct box culvert at Beaver Dam Creek under US 41.

## July 2011 - November 2011

Realign Beaver Dam Creek.

## May 2011 - November 2011

Construct multi-lane roundabout at intersection of Shawano Avenue and Taylor Street; construct temporary bypass road.

## July 2011 - September 2011

Intersection closed; use temporary bypass.

## January 2012 - August 2012

US 41 open during Mason Street reconstruction.

## June 2011 - November 2011

Widen US 41 mainline shoulders from Orange Lane north to Memorial Drive. Two lanes of traffic will remain open in both directions on the mainline, but the speed limit will be reduced to 55 mph.

\* MAP NOT TO SCALE
