Public meeting to discuss US 41 Project in Winnebago County

Discussion will focus on 2010 construction from US 45 to Breezewood Lane

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is holding a public information meeting on construction staging and scheduling in the US 45 to Breezewood Lane section of the US 41 Project in Winnebago County. The open house meeting is from 5 p.m. to 7 p.m. on Wednesday, March 3, 2010 at the Winnebago County Highway Department, 901 West County Road Y, Oshkosh. There will be a brief presentation at 5:15 p.m. There will also be a business outreach session from Noon to 2 p.m.

Improvements include:

- Expanding US 41 from four to six lanes (new lanes in existing median)
- Reconstructing the WIS 76 interchange (longer ramps and wider US 41 bridges over WIS 76)
- Reconstructing the Breezewood Lane interchange (longer ramps and wider bridges over US 41 with a pedestrian/bicycle path)
- Roundabouts at the interchange ramps and Breezewood Lane intersections with Gillingham Road/Bergstrom Road and Harrison Street

Starting in April 2010 and continuing through June 2010, improvements will be made at the WIS 76 interchange. The work requires closing northbound and southbound on and off ramps at US 41. Traffic on US 41 will be detoured to the US 45 interchange, County T and County Y. Lengthening and widening the on and off ramps in 2010 will allow the interchange to stay open during temporary widening of the US 41 freeway mainline and will provide access to US 41 when the US 45 interchange is closed in 2011.

Other 2010 construction (June through November) includes:

- Constructing temporary pavement along both sides of northbound US 41 from Fountain Avenue/Snell Road to Breezewood Lane
- Replacing the US 41 bridges over the railroad spur south of the Breezewood Lane interchange

The public is encouraged to attend to give input and ask questions about the project.

Construction displays and schedule information will be available.

If you are unable to attend the meeting or would like more information, contact Project Manager Tom Buchholz at (920) 492-0142 or send e-mail to tom.buchholz@dot.wi.gov. The public meeting facility is wheelchair accessible. Hearing impaired persons needing assistance may call the Wisconsin Telecommunication Relay System (dial 711). To allow time for arranging assistance, please call no later than three working days prior to the meeting.
