WIS 441 Tri-County Project lane closures for April 13 – April 17

Traffic restrictions on WIS 441 and US 10

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing WIS 441 Project lane restrictions for April 13 through April 17 in Winnebago, Outagamie and Calumet counties. Drivers should be aware of reduced speed limits and remember to use caution while traveling through any work zone. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

Cold Spring Road – Full, long-term closure

A 60-day closure of Cold Spring Road under US 10 (between Friendship Trail and American Drive), is scheduled to begin on Monday, April 13. The closure is needed so crews can widen the existing westbound US 10 bridge over Cold Spring Road. Residents and businesses near the bridge over Cold Spring Road can expect daytime noise throughout the project. The most significant noise will be during the first two weeks of construction

Appleton Road – Full, long-term closure

Drivers can anticipate a 75-day closure of WIS 441 / Appleton Road interchange ramps and a portion of Appleton Road (WIS 47) beginning Monday, April 13. Details of the closure include:

- Closed for construction, Monday, April 13 – early July: Appleton Road (WIS 47) between Valley Road and Midway Road. Detour:
 - WIS 47 to County P (Valley Road/Racine Road); to County AP (Midway Road)
- Closed for construction, Monday, April 13 – early July: US 10/WIS441/Appleton Road interchange ramps. Alternate Route:
 - Drivers can use Midway Road and Oneida Street interchanges as alternate routes.

Access will be maintained to local businesses across Appleton Road at Tuckaway Lane and Drum Corps Drive. Pedestrian accommodations will be maintained along Appleton Road with existing sidewalk and temporary asphalt. Temporary traffic singles are installed at Midway Road interchange to manage traffic during construction.

WIS 441/US 10

Drivers can anticipate various single lane closures on westbound and eastbound US 10 and northbound and southbound WIS 441 throughout the week. In addition, the following ramps will be closed:

- Westbound US 10/southbound WIS 441 off-ramp to Racine Street will be closed on **Tuesday** and **Wednesday** from 6 p.m. to 6 a.m.
- Westbound US 10/southbound WIS 441 on-ramp from Racine Street will be closed on **Tuesday** and **Wednesday** from 7 p.m. to 6 a.m.

System interchange

The following ramps will be closed:

- Northbound I-41 to eastbound US 10/northbound WIS 441 ramp will be closed on **Tuesday** from 11 p.m. to 5 a.m.
- Southbound I-41 to westbound US 10 exit ramp will be closed **NIGHTLY, Wednesday through Friday** from 6 p.m. to 6 a.m. Suggested alternate route:
 - Traffic seeking westbound US 10 should continue on southbound I-41 to County II, follow County II west to County CB and take County CB north to westbound US 10
- Westbound US 10 to northbound I-41 ramp will be closed **NIGHTLY, Wednesday through Friday** from 7 p.m. to 6 a.m. Suggested alternate route:
 - Traffic seeking northbound I-41 should continue on westbound US 10 to County CB, take County CB north to County BB, follow County BB east to northbound I-41
- Westbound US 10 to southbound I-41 will be closed **NIGHTLY, Wednesday through Friday** from 9 p.m. to 5 a.m. Suggested alternate route:
 - Traffic seeking southbound US 41 should exit at County CB, take County CB south to eastbound US 10/WIS 441, follow ramp to southbound I-41

I-41 Bridge Maintenance Project:

Drivers should anticipate various lane closures on southbound and northbound I-41 from Breezewood Lane/Bell Street in Winnebago County to WIS 15 in Outagamie County. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The following ramp will be closed:

- Southbound I-41 off-ramp to Main Street/Oakridge Road will have a **10-day closure** beginning on Wednesday, April 15.

Note: This project is separate from WIS 441 Tri-County Project, but will be included on the WIS 441 road closure list.

All lane restrictions and work operations are weather dependent and subject to change.
